Starters Guide Forms (SGF) - Design Purchase

Form 1 – Your Specification

Enter different room types required: Eg 1) Bedroom, 2) Kitchen, 3) Lounge, 4) Garden, 5) Garage. If any room is required in multiples these will be added at a later stage. Any repeat of a room with a different specification needs to be added now using a different number from the list below to identify it.			
1		**5**	
2		**6**	
3		**7**	
4		**8**	

Enter the products and/or labour you require to purchase room by room using the numbers for room types identified above, in the form below under the column No:

No (from above list)	**ROOM NAME** (from above list)	**List exact product / labour required**	**Number of products**	**ID CODES** (Use our list or build your own) or add more to our list at the end	**Notes**

No (from above list	ROOM NAME (from above list)	List exact product / labour required	Number of products	ID CODES (Use our list or build your own) or add more to our list at the end	Notes
